CARLOS CLERK REPORT AUGUST 2024

- 1) Meters read 8/1/24. Wayne showed Kalin how to do the Readings. Water bills were done and sent Tuesday August 6th. Late Fees this month were \$309.68.
- 2) I called Rose City Sign and found out that the bill we paid (\$3,009.50) was for their labor on both stadium lights. I think the bill we paid to Alexandria Electric (\$7,814.67) is also for work and parts on both lights. All the parts for the Scoreboard repair are covered under warranty; we will yet receive a smaller bill from Rose City for labor on the Stadium Sign. I asked them whether they preferred doing the stadium lights in the fall or spring, and they said they prefer fall.
- 3) I called our Building Inspector, Michel Friedrichs, and asked about the awning on Main Avenue. He said that, yes, we need to get a permit for that and some plans. I took a Building Permit form over to Dan Nokovich, he filled it out and I submitted it to Inspector.
- 4) I called Douglas County Works to find out about collaboration of costs to repair Main Avenue sidewalks. He was gone for the day and will get back to me.
- 5) We have the State Primary coming up August 13th. The filing dates for Carlos City positions are: July 30 through 5pm on August 13th. I have candidate filing packets available. I am offering to post a paragraph or page from any who will be running as a way to introduce yourself and tell why you would like to participate in City government. Kinda of a “Meet the Candidates” thing.
