CARLOS CLERK REPORT JANUARY 2024

- 1) Meters read 12/29/23. Water bills were done and sent January 6th. Late Fees this month were \$462.89.
- 2) I received an email asking to post information about fly-in fishing trips in Canada. I emailed a copy of this to all Council for their opinion.
- 3) I also emailed Council with the information I was sent regarding Clearance Sale information on Holiday lighting. Last year we had discussed this may be something you would want to consider.
- 4) I did contact Rose City Sign regarding Stadium lights. Of course now that we finally got winter weather, it will have to wait until Spring.
- 5) I will be attending a Regional MCFOA meeting on January 26. They are having 3 speakers on important topics. I am not planning on going to the state MCFOA Conference this year.
